Applied Technology Re-entry Plan for Spring 2021

Applied Technology Instructors will provide excellent hands-on instruction to NTU students, in a safe and sanitary environment and comply with the New Mexico Health Department regulations at all times.

I. Requirements:

1. All students, faculty, staff and outside customers must wear a facemask upon entering all shop areas.
2. All who enter any shop areas must sign in at door so we can do contact tracing, if necessary.
3. Anyone entering any shop areas will always wear a mask. We will have some masks available.
4. Instructors will take temperature of each student and document it at the start of each class.
5. Children are not allowed in shop areas and must be masked and under guardian's supervision at all times.
6. All CDC guidelines shall be maintained. All students will maintain social distancing of six feet.
7. Occupancy Limits at any given time will be no more than 6 students at a time and students are to remain 6 feet apart.

II. Instructor & Staff Responsibilities:

1. Monitor & maintain hand sanitizer stations to ensure filled to capacity at all times. Hand sanitizer stations are located at the doors.
2. Wipe down all work & classroom tables on a regular basis.
3. All tables and chairs & work stations will be wiped down at the conclusion of each class. Brief all students that "*All chairs & tables needs to be sanitized*" at the end of each class.
4. Masks will be worn at all times.
5. Constant Handwashing is mandatory.
6. Students will have their temperatures checked when they come into classroom.

III. Security:

1. Will continue to do a walk-through wherever possible.
2. Students who don't comply will asked to live.
